NR - Neo-Romantic

MT - Movie Theme

RA - Rag - features music such as the pieces by Scott Joplin. Rag features syncopated rhythms and no swing. Swing and Rag together is usually considered too much.

RO - Rock - Rock is a kind of music with simple tunes and a very strong beat (8th are usually even). This includes sub genres such as Rock'n'Roll, Disco, the styles of composers such as Elton John, Billy Joel and Jerry Lee Lewis.

SW - Swing, Big Band style and basically anything with swing 8ths or pieces in triple signatures such as 12/8. Swing is often included in Blues. Pieces in these two genres may be interchangeable for exam purposes.

20th/21st - A catch all category for music composed in this time.

Other Categories are possible.

Please report errors to Conservatory Canada immediately.
